

What Do You Say About Jesus?

Last week, we noticed some false things that many people say about Jesus. One of the most important questions for you to answer is---what do you say about Jesus?

“I don’t care who He is.” You should—He created all. You will—He is the final Judge (Col. 1:16; Acts 17:31).

“He is one, of many ways, to find God.” Jesus claimed to be the only way to God. He is God (John 14:6; 1:1).

“I know He is Lord, but I will not give up. . .” (divorce, porn, alcohol, etc). Jesus says this makes you a foolish man who will be destroyed (Matt. 7:26-27; 5:28, 32; Eph. 5:18).

“I know He built His church, but I don’t like religion.” Jesus’ church and pure religion are from God (Matthew 16:18; John 4:23-24; James 1:27). Following Jesus means rejecting false religion and practicing true religion. This includes joining with other Christians who follow Jesus by pure worship and pure daily living (Acts 9:26-28; 11:26). Read in the Bible about *the churches of Christ* (Rom. 16:16) and compare that with what you see in churches today.

Jesus is equally concerned with, and will judge you on, what you say of and do with Him (Jn. 12:48) **QVCOG.COM**
