

What Causes Men to Turn?

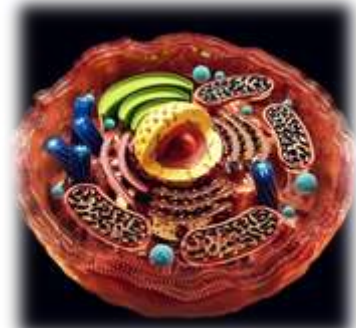

What Caused Some To Turn?

1. Teaching (all) Rom. 10:14; 1:16
2. Seeing godly conduct 1 Pet. 3:1-2; Mt. 5:13-16
3. Humbling event Acts 16; Ps. 8:3-4; 139:14

- *“The cell has been likened to a power plant, a furnace, a chemical laboratory. In its reproductive functions it has been described as a factory complete with manager’s office, files of blueprints and plans, intercommunication system, assembly line with foreman and workers. None of these fanciful analogies does justice to the living cell. All of these man-made systems put together, however ingenious and efficient, could not reproduce the functioning of this single unit of life, too small to be seen with the unaided eye.” – two evolutionists, Miller & Goode (1960)*
